Terms of Admission.

For admission into the Freshman Class, candidates are examined in Latin Grammar, Cicero's Orations, Virgil, Sallust; Greek Grammar, Xenophon's Anabasis, five Books, and Homer's Iliad, two Books, or an equivalent; Latin Prosody; Arnold's Latin Prose Composition, to the VIIth Chapter, or an equivalent; Ancient and Modern Geography; Arithmetic, and Algebra to Equations of the second degree. A particular attention to Latin Prosody and Scanning is also especially desirable.

Students may be admitted to an advanced standing, provided that, in addition to the requisites for admission to the Freshman Class, they are found, on examination, thoroughly acquainted with the several studies of the Class which they propose to join. Candidates for such standing should, however, be informed that in consequence of the thorough discipline of the first College year, and the exactness of knowledge which is required of Classes, no one can hope, if admitted to maintain a respectable standing, unless he comes with a high degree of previous preparation. Indeed, it is highly important to the unity and completeness of a public education, that the students should enter College at the commencement of the course. The disadvantages incurred by those who postpone an entrance to a later period, are much more serious than is commonly supposed.

Every student admitted to an advanced standing, (with the exception of those who come from other Colleges,) is required to pay a fee of $5.00, if he enters after the expiration of the

Fall Term of the Freshman year; and of $10.00, if after the expiration of the Fall Term of the Sophomore year.

All candidates for admission to this College must bring a certificate of good moral character; and, if from another College, of their regular dismission and good standing. When a young man has been examined and admitted to College, he is required to attend the prescribed exercises, and is subject to the laws of the Institution.

Declamation and Composition.

The Classes speak by divisions, in the Chapel, Wednesday afternoon, for which exercise the members of the two upper

Classes are required to prepare original pieces. In all cases the speakers are prepared for the exercise by previous rehearsal before the Professor of Elocution.

Written Translations of Latin and Greek into English, required of the Freshman Class, until the close of the Spring Term. From that time onward, English Compositions are read.

Record of Merit.

A class-book is kept by each instructor, in which the character of each student's recitation is noted by numbers, and all absences from College exercises are minuted. Demerit for absences and other irregularities are also marked in like manner, and made the basis of discipline. At the close of each Term the average of these marks is recorded, and, when desired, communicated to parents or guardians.

Examinations.

At the close of the Fall Term there is a public examination of all the Classes in the studies pursued during the Term. At the close of the Collegiate year the several Classes are examined in the studies of the year. This examination is protracted and severe, and is conducted in the presence of a committee of gentlemen, appointed for the purpose, who report to the Corporation respecting the proficiency and deportment of the students.

College Honors.

On the "Record of Merit," including recitations, examinations, and fidelity, the Faculty, under the direction of the Corporation, have arranged a scheme of honorary appointments for Junior Exhibition and Commencement. They have aimed to devise a plan that will secure the advantages of honorable emulation, and, at the same time, avoid many of the incidental evils of College distinctions.

Public Performances.

Exhibition of the Junior Class, at the close of the Spring Term.

COMMENCEMENT, on the Thursday following the second Wednesday in August.

The Anniversary of the Associated Alumni, on Wednesday.

Orations before the several Societies in College, on Tuesday.

Parkerian Prize Speaking, on Tuesday evening.

Cabinet and Libraries.

The Cabinet is designed chiefly for the benefit of the Classes in Natural History, but it is accessible to all students. It contains two thousand seven hundred specimens in Zoology, four hundred specimens in Botany, fifteen hundred specimens in Mineralogy, one thousand of which, presented by the State, are separately arranged.

These specimens are all placed under their respective classes, and conspicuously labeled. Valuable accessions have been received from some of the Alumni, and the aid of others is requested.

The College Library now contains more than 11,000 volumes, and, by a recent act of the Corporation, a permanent fund has been established for its enlargement.

Besides the College Library, the Institution contains valuable Libraries belonging to the Philomathesian and Philadelphian Societies.

Beneficient Funds.

The College is possessed of Funds to the amount of four thousand dollars, the interest of which, as directed by the donors, is applied to the assistance of meritorious students.

By direction of the donor, the income of the Warren Fund is distributed among the members of College who are preparing for the Gospel Ministry. Regard is had in the disbursement to the necessities of the student.

Those who have the Ministry in view can also receive aid from the American Education Society, usually to the amount of $100.00. These several sums, together with a scholarship and the avails of teaching three months in winter, will nearly defray *all* necessary expenses—board, tuition, books, clothing, &c.

By the bequest of the late JOHN C. BALDWIN, Esq., of Orange, N. J., provision is made for additional aid to needy students of Christian character and good scholarship.

The Waldo Foundation.

By the liberal bequest of *Ten Thousand Dollars*, received from the estate of the late Mrs. CATHERINE WALDO, of Boston, the Trustees are in possession of additional funds for the aid and encouragement of worthy young men in the prosecution of their studies. From the income of this fund *twelve scholarships* are established—three for each class—which cancel term-bills for room-rent, tuition and other charges, to the amount of $50.00. No student will be honored with this fund who does not sustain a character for high scholarship and correct deportment.

Scholarships.

A Scholarship Fund has been secured, which may be made available to those whose circumstances require it. The control of these scholarships is in the hands of individual proprietors; but young men of good character and correct deportment can usually obtain assistance from this source. These scholarships pay tuition—$45.00. In addition to these, the following scholarships, recently provided by donations of $1,000 each, yield to the persons placed upon them by the donor the sum of $60.00 a year:

1. The "Fairbanks Scholarship," by THADDEUS FAIRBANKS, Esq., of St. Johnsbury, Vt.

2. The "Fairbanks Scholarship," by THADDEUS FAIRBANKS, Esq., of St. Johnsbury, Vt.

3. The "Levi Parsons Scholarship," by LEVI P. MORTON, Esq., of New York City.

4. The "Daniel O. Morton Scholarship," by LEVI P. MORTON, Esq., of New York City.

5. The "Penfield Scholarship," by ALLEN PENFIELD, Esq., of Burlington, Vt.

6. The "Greenleaf Scholarship," by L. L. GREENLEAF, Esq., of Chicago, Illinois.

Premiums.

The income of the Literary Fund is awarded in sums of from *ten* to *twenty-five* dollars, to three or four members of College, whose scholarship and fidelity in the discharge of their duties, may entitle them to such a distinction.

The Philosophical Prize of $15.00, arising from a fund given by Rev. GEORGE N. BOARDMAN, D. D., is awarded to the Senior Class for the best Essay upon a subject in Philosophy, to be assigned by the Professor in that department.

By the liberality of GEORGE W. WARE, JR., A. M., of Boston, a Gold Medal of the value of $50.00 is awarded to the member of each Graduating Class who is judged to excel in the composition and delivery of his Commencement Oration.

The Parkerian Prizes are given to the two of the four competitors in each of the three lower Classes, who on Parkerian evening are judged the best speakers. By the liberality of Hon. C. T. HULBURD, an additional prize of $20.00 is awarded to the best speaker of the evening.

Starr Hall.

This spacious edifice was built in 1861, and rebuilt in 1865, after its destruction by fire. The rooms are large, convenient, and well ventilated. It is admitted that no College building in New England furnishes more desirable accommodation for students. It takes its name from a distinguished friend and patron of the College.

Recent Improvements.

During the present year extensive repairs have been made upon the College buildings. The Chapel has been entirely remodeled, and furnished with new seats and with an organ; the library-room has been enlarged to nearly twice its former size; the recitation-rooms have been tastefully refitted, and provided with desks and seating of the most approved style; and a reading-room has been fitted up, where all valuable periodicals may be found. A janitor has also been appointed, who devotes his whole attention to the care of the buildings. By these improvements every reasonable provision is made for the comfort of students, and the various apartments are rendered as attractive as modern taste can require.

Expenses.

The following statement embraces the principal expenses for the year, viz:

Tuition, $15 per Term,	$45 00
Room rent, (if two occupy a room,) $3.50 to $4,	11 25
Use of Library and care of rooms,	10 00
Board for 38 weeks, at $3.50 to $4 per week,*	142 50
Fuel, Lights and Washing,	25 00
	$233 75

Juniors and Seniors are charged each a fee of $1.00 a term, to defray the expenses of the Laboratory and Cabinet.

Payment of Bills.

[Extract from College Laws.]

"The several sums charged in the Term Bills shall be considered as due and payable as soon as the Bills are made up according to law. And, in all cases where the Term Bills are not paid within three months after they shall have become due, it shall be the duty of the Treasurer to report the same to the Faculty, and the duty of the Faculty to call the delinquents before them; and if no satisfactory reason for the delinquency be assigned, either to write to their parents or guardians, or suspend them from the privileges of the Institution till payment shall have been made."

Degree of Master of Arts.

On payment of the usual fee of four dollars, the degree of A. M., will be conferred on those graduates of three years' standing who have been engaged in literary pursuits. Application should be made to the President or Treasurer, as early as the day before Commencement.

* Board in Clubs is somewhat less than this.
